POWER HOUR FUNDRAISING CAMPAIGN

2020-21 SCHOOL YEAR

What can a CARE volunteer do in one hour? Change a life. Our volunteers dedicate their time to sharing life-changing stories that empower the next generation for financial success.

Support CARE this school year by donating in honor of our volunteers. This year more than ever, they are going above and beyond to reach our youth in new and innovative ways. We'll celebrate together with a virtual party on December 8th filled with special guests in recognition of the contributions of the CARE community.
